# TRANSFORM

For over two decades Tremron has transformed the southern landscape with unrivaled hardscape products. It has been our continued dedication to innovative design and quality that has been the cornerstone to our success.

## BACKYARD DESIGN

INVITING. RELAXED. ELEGANT.

Envision an outdoor space that beckons loved ones to gather; with the complete line of Tremron hardscape products bringing those dreams to life has never been easier. Possibilities abound, limited only by your imagination, Tremron's innovative pavers and wall blocks create an elegantly unified landscape that will be the envy of the neighborhood.

Inspired by nature, but created by Tremron, our hardscape products offer an everlasting elegance that creates a sense of luxury and ease.

## POOL DECKS

ENDURING. REFINED. TIMELESS.

Elevate the appearance of your pool with pavers from Tremron. Full size pavers are the perfect choice for new pool construction; while thin remodel pavers are designed to overlay existing concrete for pool deck renovation projects.

When you choose Tremron pavers for your pool deck, you not only create a certain sense of luxury, but you also get the assurance of an enduring product that will maintain its beauty with each passing year.

# OUTDOOR KITCHENS

BEAUTY. COMFORT. FUNCTION.

Kitchens have long been considered the heart of the home; bring that sense of comfort outside with an outdoor kitchen created with Tremron wall blocks.

Integrate a pergola and lighting to enhance the beauty and function of your summer kitchen. Complete your outdoor cooking space by adding in your choice of appliances and grill.

## FIREPLACES

BOLD. ALLURING. STATELY.

Capture the beauty of European estates while making year round use of the outdoors with a Tremron Fireplace. Entertain loved ones even during the chilliest of nights, while keeping cozy with this grand centerpiece, or easily incorporate a pizza oven to embody an old-world essence and flair to your dishes.

Seamlessly integrate a custom fireplace into your backyard hardscape design using Stonegate or Munich wall blocks; transforming your backyard dreams into a beautiful reality.

## SEATING WALLS

ACCOMODATING. GRAND. TRANSFORMING.

Form meets function while creating an intimate environment that is sure to make a grand statement. Tremron Seating Walls offer an elegant appearance and versatile design, while quality construction makes for an impressive and lasting addition to any outdoor setting.

Tremron's Seating Wall Products are manufactured in colors designed to coordinate and complement our extensive line of quality pavers creating an elegantly unified outdoor space. In addition, seating walls can be used as retaining walls to create support for grade changes and to prevent erosion.

## FIRE PITS

### RELAXED ELEGANCE

Create a natural gathering space for friends and family with a fire pit by Tremron. Whether you're roasting marshmallows over laughter and stories or sipping wine for two, memories are sure to be created year after year with this great feature added to your outdoor living space.

A fire pit is a great addition to any hardscape installation and can be installed during the initial phase of patio construction or as a future upgrade.

## DRIVEWAYS

CHARACTER. PERFORMANCE. TRANSFORMING.

Evoke a sense of classic European elegance and add a touch of timelessness when you install any one of our driveway pavers. With several color options to choose from, we make it easy to find the perfect complement to your home.

Tremron pavers add personality and charm to your home's entrance, while simultaneously creating instant curb appeal and increasing the value of your home.

# PAVERS

BEAUTY. QUALITY. VALUE.

Tremron pavers have become the preferred choice amongst landscape professionals and homeowners in the southeast. From classic old-world to sleek contemporary designs our pavers capture the beauty of natural stone, yet offer exceptional durability, ease, and quality.

Tremron pavers are backed by a 25 year warranty ensuring that you will enjoy the rich color and texture of Tremron pavers for years to come.

## REMODEL PAVERS

Tremron's remodel pavers offer all the beauty and elegance of our full size paver line but are designed to be installed directly over existing concrete or paved surfaces. Use remodel pavers in conjunction with remodel bullnose coping to give a complete polished look.

# REMODEL PAVERS

OVERLAY EXISTING CONCRETE

Tremron's remodel pavers provide a cost benefit by eliminating the need to remove existing concrete prior to installation. All of Tremron's remodel pavers are manufactured according to the same standards as our full size pavers and are available in the same range of popular colors. This allows for a seamless transition from remodel pavers to full size pavers for patio extensions or where an existing entryway meets a driveway.

## CLAY PAVERS

### **Old Barcelona 4x8 Clay Pavers**

Outfit your next driveway, walkway, patio, or roadway project with the traditional line of Old Barcelona Clay Pavers. Choose from a rich palette of deep warm antique colors, shapes and finishes. Even after seasons of use, these unique pavers will never fade, due to the clay composition which they are produced from.

### **Old Chicago Reclaimed Clay Pavers**

If you are seeking a truly unique look, then consider our Reclaimed Clay Pavers. These pavers have actually been reclaimed from turn-of-the-century structures. In addition to lending a distinctive classic Americana look and feel, our Reclaimed Brick Pavers are completely sustainable. Made from all natural materials combined with the method in which they were obtained, you can be rest assured this is the most eco-friendly clay paving option available.

# ROMA EDGER

Create an elegant accent to driveways and patios with Roma Edger blocks. Boasting a handsome profile with a naturally rough textured top surface, which is perfectly balanced by the subtle slate patterned finished side. For added stability and versatility, each unit is slightly tapered on each side enabling them to interlock with one another creating straight or curved lines. Roma Edgers can also be used to create a 48" diameter circle to surround trees or planter beds.

# CUSTOMER WARRANTY

## THE TREMRON GUARANTEE

Tremron Group's interlocking concrete pavers and retaining walls meet or exceed the requirements of ASTM C-936 and ASTM C-1372. Tremron Group warrants the structural integrity of its products for 25 years from the date of installation. This warranty does not apply to splitting, chipping, spalling or other breakage that may be caused by impact, abrasion or improper use. Efflorescence may occur and is not covered by this warranty. This warranty is only valid if the material is installed in accordance with the guidelines of the ICPI(www.icpi.org) or the NCMA(www.ncma.org). This warranty is for residential construction only and does not imply a warranty for commercial applications. Tremron Group's obligation is limited to providing replacement material at no charge. Tremron Group will not be responsible for any replacement labor or freight. The original proof of purchase is required. Color matching is not guaranteed.

Due to the variances in the printing process, all product and color appearances may be different than as displayed in this brochure as well as may vary in appearance from one brochure to another. Tremron Group makes no claim or warranty as to actual product or product color appearance in comparison to what is displayed in this brochure. Products and product colors naturally vary from plant to plant as well as from one production run to another. Please visit your local Tremron Design Center for product samples.
